

Commissioner for Patents

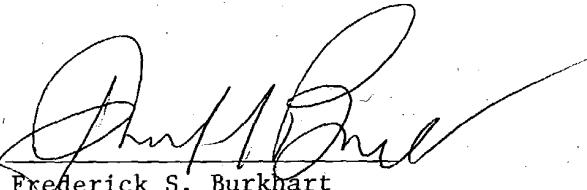

R E M A R K S

The number of claims in the application was 40. The number of claims in the application is now 25.

The present application is a division of United States application Serial No. 09/995,971, filed November 28, 2001.

The application contains both method and system claims. It is desired that the parent application retain method claims 1-15 and the present divisional application cover system claims 16-40. Accordingly, the method claims have been cancelled from the present divisional application and the title and disclosure amended accordingly.

Respectfully submitted,  
L. LLOYD WILLIAMS
